SUMMARY

I am currently pursuing my B.Tech in CSE CORE at SRMIST, located in Chennai.

I'm a highly imaginative and motivated individual, passionate about the ever-evolving world of web development, AI. I thrive on the challenge of transforming creative ideas into engaging websites that are both innovative and user-friendly. With a strong eye for detail and a deep curiosity front-end design, I aim to contribute to building platforms that are not just efficient but also aesthetically impactful.
